Test Prep Videos, Addison Wesley Longman, Pearson Education, Limited, 2006, 0132330377, 9780132330374, . Solving problems in organic chemistry requires learning numerous chemical structures and developing analytical skills. Organic Chemistry, 5e Test Prep Videos help you make the most of your valuable study time and assist you when you need it most - when you are doing your homework and getting ready for tests. TAKE A CLOSER LOOK: Sample Videos now available online at [prenhall.com](http://prenhall.com)! These videos serve as your personal chemistry tutor, available to you when you need them. The friendly professor guides you through carefully selected and paired questions and problems, helping you make vital connections between concepts and quantitative work, while providing you with an opportunity to verify that you are ready to solve problems correctly on exams. Organic Chemistry, 5e Test Prep Videos feature:• Carefully selected and paired end-of-chapter Problems, many of which include full-color art to help bring the concepts to life.• Solution walkthroughs by a chemistry professor.• An easy-to-use navigation interface allows you to navigate each chapter and select, play, rewind, fast-forward, and stop each video independently.• Nearly 10 hours of helpful review.• Closed-captioning for the hearing impaired..
